

## Aberfoyle Park Medical Centre

The doctors at **Aberfoyle Park Medical Centre** privately bill. Doctor consultation fees are payable in full at the time of consultation by cash, EFTPOS, or credit card. You may be asked to pay via HotDoc Payments. Consultation fees are charged depending on a number of factors, including the length of consultation and the complexity of services provided.

If you have a Medicare Card, Medicare will refund you a proportion of your appointment fee (Medicare rebate) and the remaining amount will be your out-of-pocket cost. Medicare rebates are available for most medical services and can be deposited into your savings or cheque account at the time of payment if you have a savings or cheque card with you. Alternatively, your Medicare rebate will be transmitted directly to Medicare, where the rebate will be reimbursed to your nominated bank.

Doctors bulk-bill their patients with a valid Medicare Card who are children 12 years of age and under, and applicable Health Assessments and Chronic Disease Management Plans. A discounted fee applies to concession and pension (blue card) cardholders. In addition to consultation fees, a materials fee will be charged for all dressings, materials used in procedures, contraceptives, and certain vaccines. The materials fee applies to all patients (including concession cardholders).

Patients with financial difficulties should speak with reception staff prior to an appointment, either in person or over the phone.
